

ROYAL PURPLE® DURALEC ULTRA

API CI-4 HIGH PERFORMANCE DIESEL MOTOR OIL

Royal Purple® Duralec Ultra motor oil is specifically formulated to maximize performance and meet the demands of today’s heavy-duty engines. Duralec Ultra is fortified with a high level of zinc/phosphorus anti-wear additive and Royal Purple’s proprietary Synerlec additive technology.

Synerlec creates a tenacious ionic bond with metal surfaces, providing protection upon startup and greatly increased film strength that helps eliminate metal-to metal contact, even under severe conditions.

Duralec Ultra reduces parasitic loss to save fuel and its synthetic solvency keeps internal engine parts cleaner than detergents alone. Superior oxidation resistance also greatly extends drain intervals and minimizes oil degradation. Duralec Ultra motor oil is recommended for use in both two-cycle and four-cycle diesel applications including automotive, commercial fleet and stationary industrial diesel engines.

Performance Advantages

- Greater wear protection
- Greatly extends oil drain intervals
- Superior corrosion protection
- Reduces exhaust emissions
- Keeps engines clean
- API-licensed CI-4 diesel motor oils
- Will not harm seals

		SAE GRADE	
Typical Properties*	Method	10W-30	15W-40
Viscosity	D445		
cSt @ 40°C		74.9	110
cSt @ 100°C		11.5	15
Viscosity Index	D2270	146	140
Flash Point °F	D92	414	460
Total Base Number, mgKOH/g	D2896	10.5	10.8
